Dear Mr. Necaise: was Born in Little Rock Arkansas.

This letter confirms that you rejected a plea offer of 5 mandatory years to serve on both pending charges prior to presentment of your charges to the grand jury. As I have made you aware on several previous occasions, there is a strong likelihood that you could be indicted as a Habitual Offender and possibly a Life Habitual Offender when your charges are presented to the grand jury. As of this date, you have not provided me with any evidence that would be helpful to your defense on these charges.

Sincerely yours,

Synopsis

I Never said any body jumped into my car at all i was sound asleep when she woke me up

On March 10, 2023 the Waveland Police Department arrested Carl Douglas Necaise on one count of touching, molesting a mentally defective person. On March 10, 2023 around 0323 hours Officer Lacey Cheramie was patrolling Wal-Mart parking lot and noticed a suspicious person crouch down behind a vehicle. Officer Cheramie turned around to make contact with the person by he was gone. She spoke to the driver of the vehicle, Carl Necaise, a registered sex offender, who stated that the kid jumped into his car and asked for a cigarette but fled when he saw the police. Necaise advised that he did not know the juvenile. Sgt. Troy Bordelon advised that he located the juvenile by Claiborne Hill Supermarket and identified him as Donovan Jones, a runaway listed on NCIC out of Gulfport. Through the officers investigation it was learned that Necaise possibly provided alcohol to Jones and this was not the first time Jones and Necaise we found to be together. A forensic interview was conducted with Jones at Hope Haven CAC by Forensic Interviewer Kaitlin Jewel on March 10, 2023. Jones disclosed that "Uncle Carl" provided him beer and touched his "dick" while in the parking lot of Wal-Mart. Medical records were obtained from Gulfport Mental Health and Gulfport School District in reference to Jones's mental status. An interview was conducted with Necaise where he provided information about the case. Necaise's account of the events of the night in question was disproved through the investigation. Necaise had his initial appearance in front of Judge PJ Mauffray on March 13, 2023. On June 2023 Necaise failed to appear in court for his preliminary hearing and his charge was bound over to the grand jury.

Now see here where she said she Turn Around came back and the person was gone and if anyone even me open my car door all inside lights would come on

On March 10, 2023 around 0323 Officer Lacey Cheramie was patrolling Wal-Mart parking when she noticed what appeared to be a male juvenile duck behind a vehicle in the back of the parking lot. Officer Cheramie turned around and went to check on the suspicious person but the individual was gone. Officer Cheramie provided the description of the individual to Sgt. Troy Bordelon to check the area. Officer Cheramie made contact with a male in the vehicle. The male was identified as Carl Douglas Necaise. Necaise advised Officer Cheramie that he did not know who the kid was but he had just entered his vehicle prior to law enforcement showing up. Necaise advised that he was homeless and

living out of his vehicle and frequently stayed in Wal-Mart parking lot because Wal-Mart gave him permission. Necaie went on to say that he was sleeping in his vehicle, a 2010 Chevy Malibu brown in color MS Tag KAF4737, when the kid jumped into his car and asked for a cigarette. Necaie stated that the kid then saw the police in the parking lot and got out of the car and ran.

Sgt Bordelon located the juvenile by Claiborne Hill Supermarket. Sgt Bordelon identified the juvenile as Donovan Jones. Sgt. Bordelon knew Jones from just dealing with him on March 7, 2023 in Wal-Mart Parking Lot, Reference Waveland Police Case Number 2023-030284. Sgt Bordelon ran Jones's information through dispatch and it was learned that Jones was listed on NCIC as a runaway out of Gulfport, MS.

Assisting officer Sgt, Sarah Marshall with Bay St Louis Police Department arrived on scene to assist because she also was familiar Jones from an incident in their jurisdiction where Jones was arrested, see attached report number 2023-00297 from Bay St Louis Police Department. Jones then requested to speak with Captain Rachel Jewell from Bay PD. Captain Jewel spoke with Jones via cellphone. Captain Jewell then advised officers that Jones stated that Necaie had provided him with a beer and a cigar. Jones stated that he threw the cigar on the ground and the can of beer in the grass behind the vehicle. Officer Cheramie photographed the beer can and cigar where Jones stated he placed them. At this time Necaie was placed under arrest for contributing to the delinquency of a minor.

Sgt. Bordelon contacted Jones's mother, Katie Jones, and advised her of the incident and that her son was located. Sgt. Bordelon advised Mrs. Jones that her son would be transported to her residence by an officer Gelen Agnelly.

I Chief Investigator Edward Hursey spoke with Captain Jewell about Jones on March 10, 2023. Cpt. Jewell advised me that she had dealt with Jones February 25, 2023 when he jumped the fence at the Hollywood Casino and was swimming naked in the pool. She stated during this interaction that she learned that Carl Necaise had provided beer to Jones prior to him jumping the fence. Cpt. Jewell also advised me that a male claiming to Uncle Carl Necaise was headed to Bay St Louis Police Department to pick Jones up and take him home. Cpt. Jewell contacted Jones's mother to see if she had sent Uncle Carl to pick him up. Mrs. Jones advised that she had never heard of Uncle Carl. **Attached is a copy of Bay St Louis report number 2023-00297.** After speaking with Cp. Jewell I contacted Hope Haven CAC to set up a forensic interview for Jones.

On March 10, 2023 around 1127 hours Cpt. Jewell transported Jones to Hope Haven CAC for his forensic interview. Jones was interviewed by Forensic Interviewer Kaitlin Jewell. During the interview Jones disclosed that Necaise had provided him beer and it made him drunk. Jones also stated that Necaise touched his dick with his hand. Jones stated that Necaise also picked him up from Burger King in Gulfport on the day in question. A complete digital copy of the forensic is attached to the case file.

On March 10, 2023 around 1354 hours I met with Necaise at the Hancock County Jail. I read Necaise his Miranda Rights and he stated that he understood them and agreed to speak with me about the case. Carl stated that he had met Jones a few weeks prior at the Minge-Mart in Pass Christian. He had given him a ride to the Burger King in Gulfport on Pass Road. On another occasion he took Jones to the Kings Kitchen in Bay St Louis to get something to eat. Necaise stated that on the night in question he saw Jones walking in Wal-Mart parking with someone else and then disappeared. Jones later came and jumped into the car with him but the other person was not with him. Necaise stated that he knew Jones was a kid and had mental problems. Necaise denied touching Jones penis. Necaise stated that he did not pick Jones up from Burger King in Gulfport. Necaise said that he parked at Wal-Mart in the back of the parking lot around 1916 hours and did not leave. I told Necaise that I was going to watch video from Wal-Mart and I would be able to see what time he got there and if anyone walked up to his vehicle or

On March 10, 2023 I met with Joey Brown of Wal-Mart Asset Protection. I asked Brown to pull video from the security cameras from around 1900 hours on March 9, 2023 till 0400 hours on March 10, 2023. I was looking for the suspect brown Chevy Malibu coming into the parking lot and parking in the back of the parking lot. Brown was able to provide me with three 3 disk containing all the footage I requested. Upon reviewing the video I could see Necaie's vehicle pull into the parking lot around 1916 hours on March 9, 2023. I did not see any person walk to nor from Necaie's vehicle until officers made contact with him around 0323 hours. Digital copies of the security camera footage from Wal-Mart are attached to the case file.

On March 14, 2023 Investigator Shelby Smith went to Burger King located at 2509 25th Avenue Gulfport, Ms to review security camera footage. Investigator Smith was able to obtain video from Burger King from March 9, 2023 from around 1258 hours to 1346 hours. When I reviewed the video I saw Jones Walking into the business at around 1258 hours. Jones stays in the business walking around like he is looking for someone or waiting on someone to show up. At 1345 Jones exits the business and walks towards a vehicle that just pulled into the parking lot. When I reviewed the outside camera footage at 13:44:58 a brown Chevy Malibu pulls into the parking lot and parks into a parking space just out of camera view. The vehicle is missing a hub cap on the driver's side front tire.

Jones was wearing the same batman shirt in the Burger King video and when Officers made contact with him on the morning of March 10, 2023. A complete digital copy of the video from Burger King is attached to the case file.

this is a Bald Face lie because Darryl Racost told me himself that Waveland Police had it towed not Wal-Mart

On March 14, 2023 I went to Daryl's Towing, located at 16071 E River Kiln, MS 39556, to photograph the outside of Necaise's Chevy Malibu. The vehicle was towed by Daryl's towing, as a private tow, from Wal-Mart parking lot at Wal-Marts request on March 10, 2023. I photographed the vehicle and a digital copy all the photos are attached to the case file.

On March 15, 2023 I met with Toni Necaise, the daughter of Carl Necaise. I explained to her what Necaise was charged with. I asked Toni if her father had spoken her with about Jones. Toni stated that her father had contacted her about a month prior saying that he had met a mentally disable 18 year old and was trying to help him. Toni started to describe the incident when Jones jumped into the pool at the Hollywood. Toni stated that her father at this time found out that Jones was only 16 years old. Toni stated she told her father to leave the kid alone; it was only going to get into him in trouble. Toni stated she knows that her father's is a bisexual and prefers younger guys and has a drug and alcohol addiction. Toni stated that her father is not allowed to come to her house because her daughter has three kids and they don't trust him around them.

On March 15, 2023 around 1133 hours Necaise made a phone call, via Securus Technologies Jail Phones, to his daughter Toni, 228-596-9725. Toni told Necaise that Investigators had come to see her and she told him that he was "Fucked". She told him that the police had him on video picking up the kid from Burger King, had video from Wal-Mart with it showing the kid was in the car the whole time, and everything that he told us so far was a lie. Carl said that he did not do anything and there was no law about giving the kid a ride. Necaise said that he just gave the kid a ride and dropped him off at the beach. Toni said no you did not because they have you on video. Necaise replies with what was I supposed to do with him because the kid had no place to go. A digital copy of the phone call is attached to the case file.

I Never told Toni I only gave Donovan a Ride and drop him off at any place he live in my car with Me

On March 15, 2023 at 1516 hours Necaise made a phone call from the jail to phone number 1-601-351-2435. The phone call was to a male named Parker. In the conversation Carl admits to seeing Jones at the Burger King in Gulfport. A digital copy of the call is attached to the case file.
